THE HEALTH SYSTEM ASSESSMENT APPROACH: A HOW-TO MANUAL

VERSION 2.0

September 2012

The original version of this manual was published in 2007 and made possible through support provided by the U.S. Agency for International Development in cooperation with Health Systems 20/20, the Quality Assurance Project, and Rational Pharmaceutical Management Plus/Management Sciences for Health. The opinions expressed herein are those of the author(s) and do not necessarily reflect the views of the U.S. Agency for International Development.

The Health System Assessment Approach: A How-To Manual Version 2.0 was adapted based on lessons learned through the application of the tool in more than 20 countries and stakeholder inputs as described in the acknowledgments section. The manual and country reports are available for download at: www.healthsystemassessment.org and at healthsystems2020.org
